# YES RESORT

02

Established in 2018 by the YES Developers and realized in 2025, the YES Resort is acknowledged today as one of the USA's finest job resorts.

Jobs are truly central at the YES Resort because we have recognized that in the past decade, Americans have just wanted to work!

Joblessness or inadequate jobs have been the leading cause of unhappiness.

So it is our vision, our mission, that each person has a job, a living...a way to earn their keep and keep the world a better place.
